

GAZA – CEASEFIRE NOW.!

Medical Aid for Palestinians

www.map.org.uk

The death toll in Gaza has passed 16,000. Including over 7,000 minors... *Numbers of injured are even higher.*

This can make us feel powerless to help but, by donating to a charity that is already well established in the Palestinian community, we can help.

Medical Aid for Palestinians has long held connections and is well placed to respond to emergency health crises such as this.

Donate online at **www.map.org.uk** – make a one-off donation or set up a direct debit.

Share with your family, friends, and colleagues too.

Medical Aid for Palestinians is a UK registered charity subject to the oversight of the Charity commission so you can give with confidence.
